

REMARKS

The present application is a continuation application of U.S. Patent Application Serial No. 09/646,807, filed December 12, 2000 (the '807 application). The present application is filed to pursue the claims directed to human cells and human therapies.

Claims 1-47 have been cancelled. New claims 48-106 are now pending in this case.

Early and favorable action is requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **546322000303**. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: August 22, 2003
